

oppressed, the lost, the homeless, the hungry, the sick and the unbeliever. God has called us to make disciples of the nations and teach them to obey the very things He commands of us. It is our charge as believers. The question is, what are you going to do? If we look around and look at the plights of people in the world, we are in a state of emergency. If we the church don't answer the call, the people will perish. So, let us make spreading of the Goodness part of our New Year's plan. But make sure we don't let it fall by the wayside like some of the resolutions we have made in the previous years. Somebody's life depends upon it. Have a blessed and Happy New Year.

A BRAND NEW DAY

Like the bright and morning SON who was able to rise
We too rise to a new and glorious day

For we are blessed to
open our eyes
Beyond the darkness that
previously consumed us

For another day has
dawned
And yesterday is gone
Where old things has
passed on
So today we sing a new
song

We sing because this is
the day that the Lord has
made
Where we're able to
experience His grace
So Lord we lift up our
hands to give You the
praise
For blessing us with a
brand new day
